

How to Take a Professional LinkedIn Photo for **FREE**

**A Professional Photo is
essential on LinkedIn.**

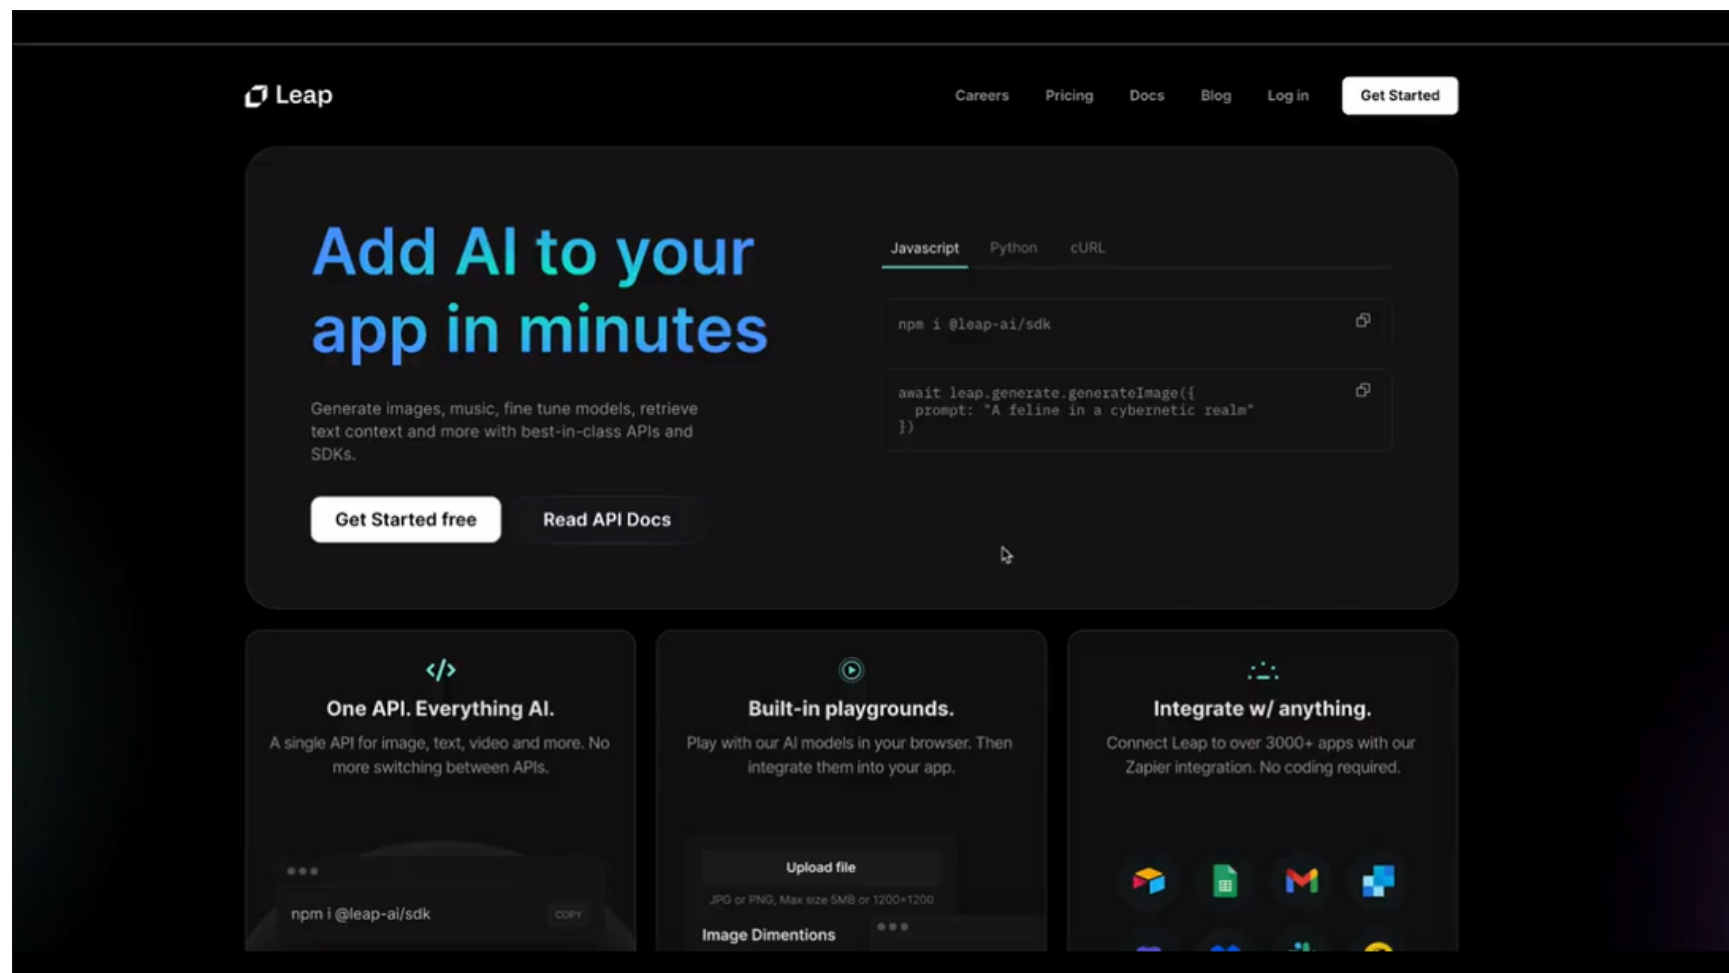

**But a photographer will
cost you \$1500.**

**I will show you how for
FREE.**

1. Go to tryleap.ai

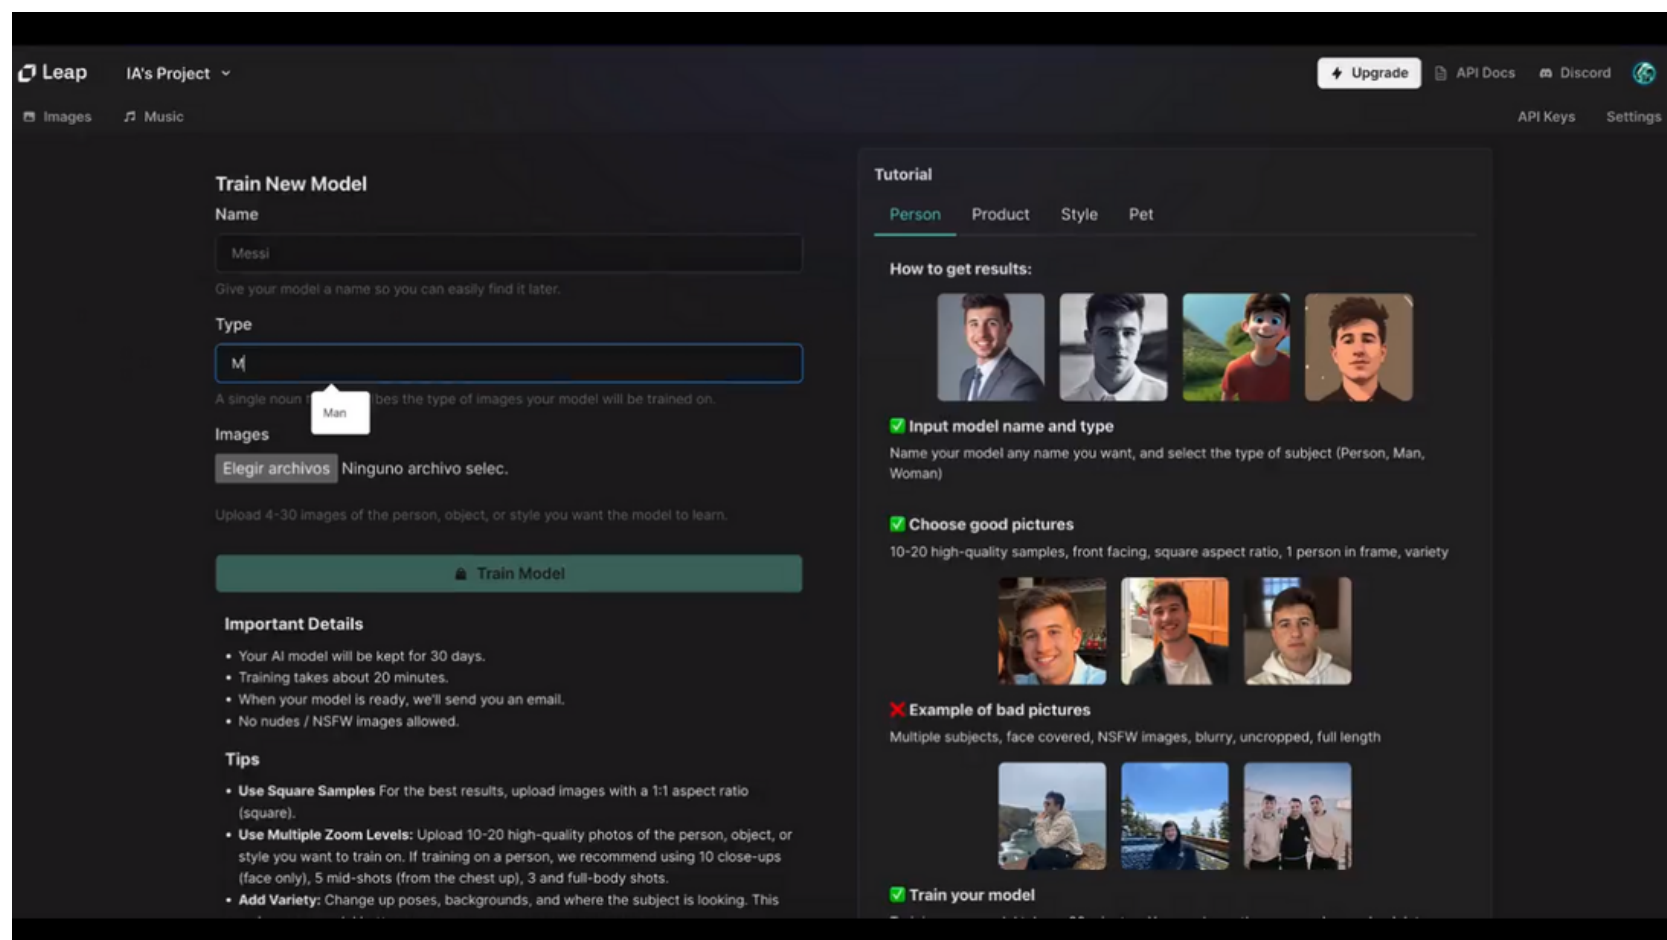

→ Click "Get Started"

→ Create your free account.

2. Train the Model

- Click on "Train new model"
- Give it a name
- Write "Man" or "Woman."

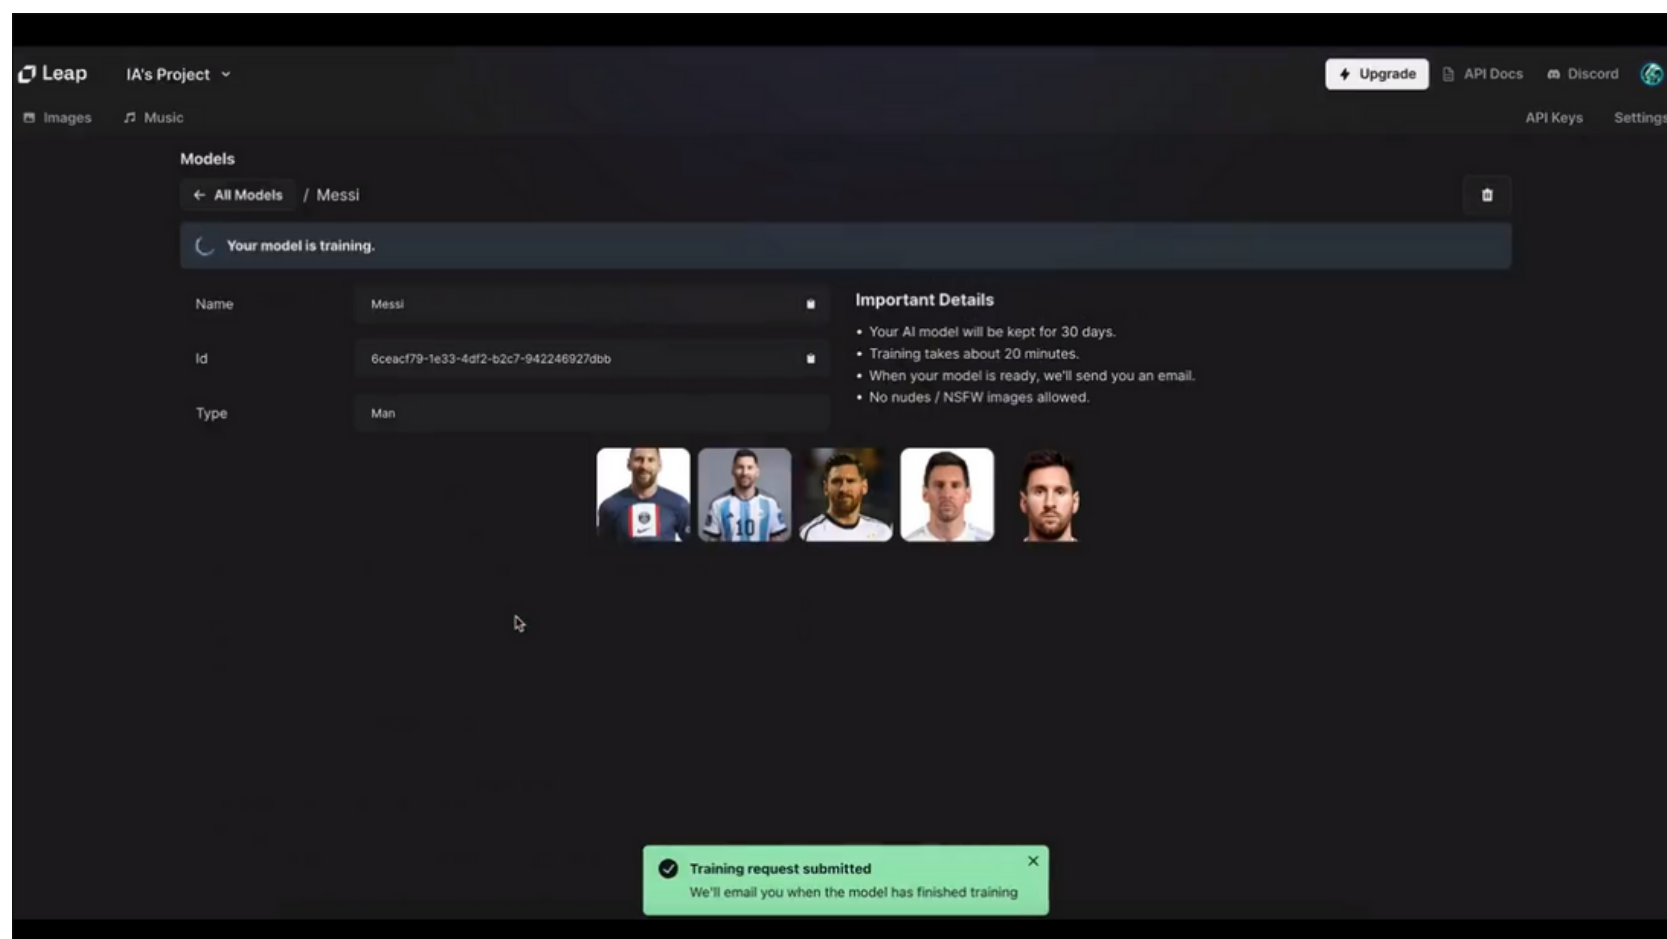

3. Provide your photos

→ Upload at least 4 photos of yourself

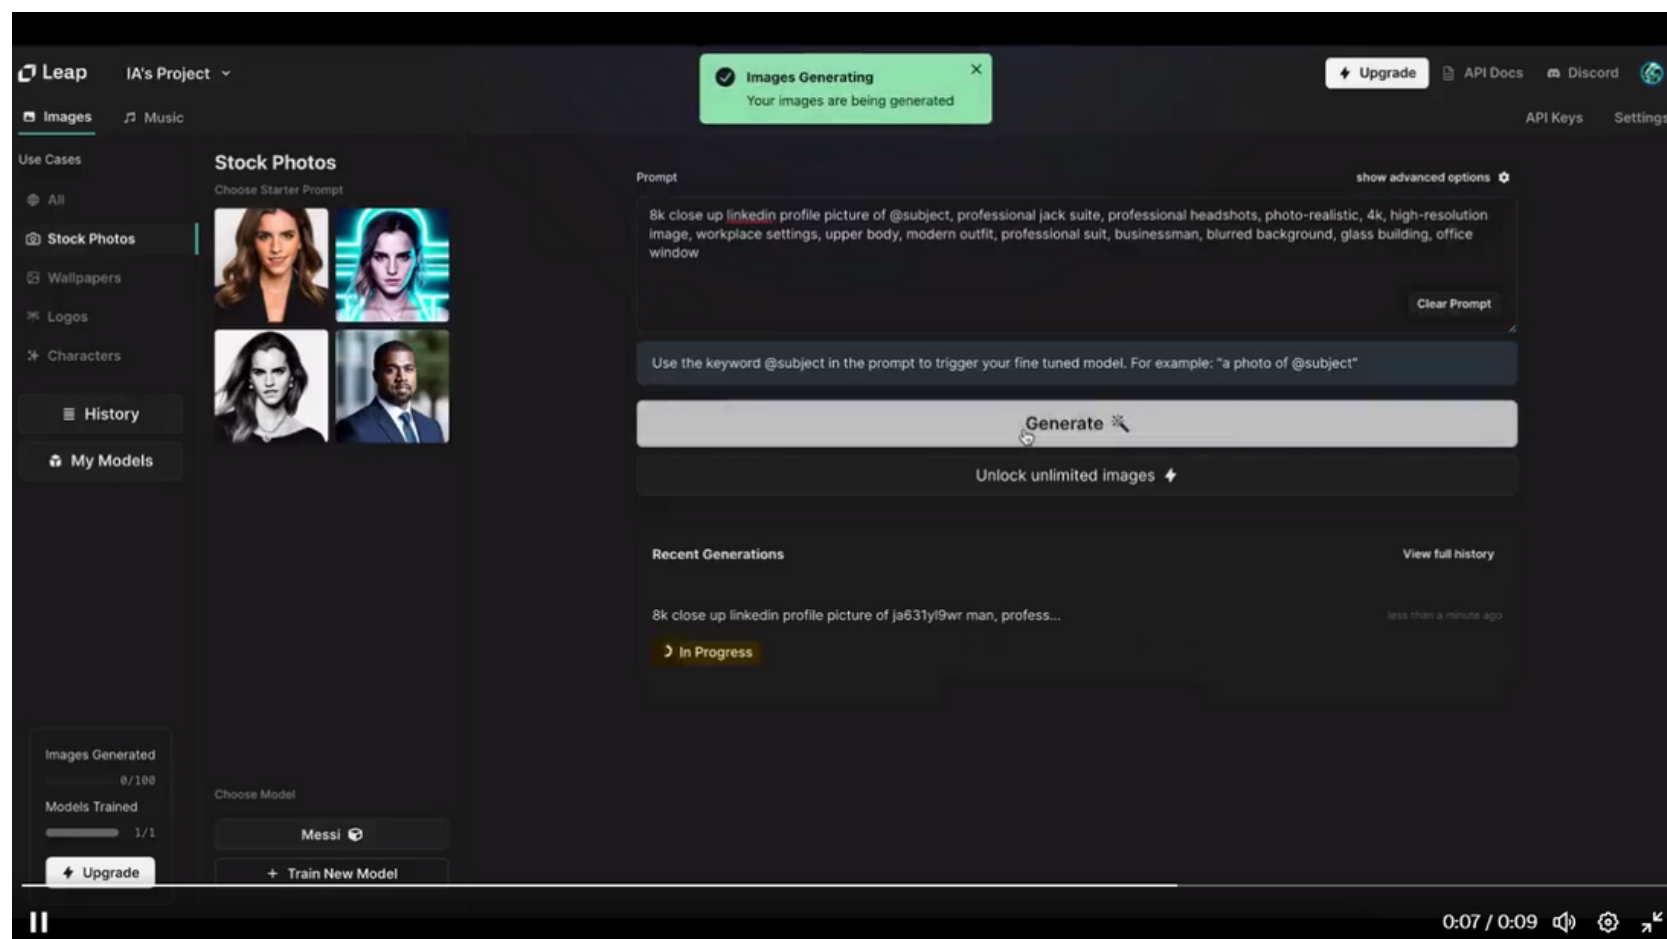

→ Click on "Train model"

→ Wait about 20 minutes

4. Generate your photos pro

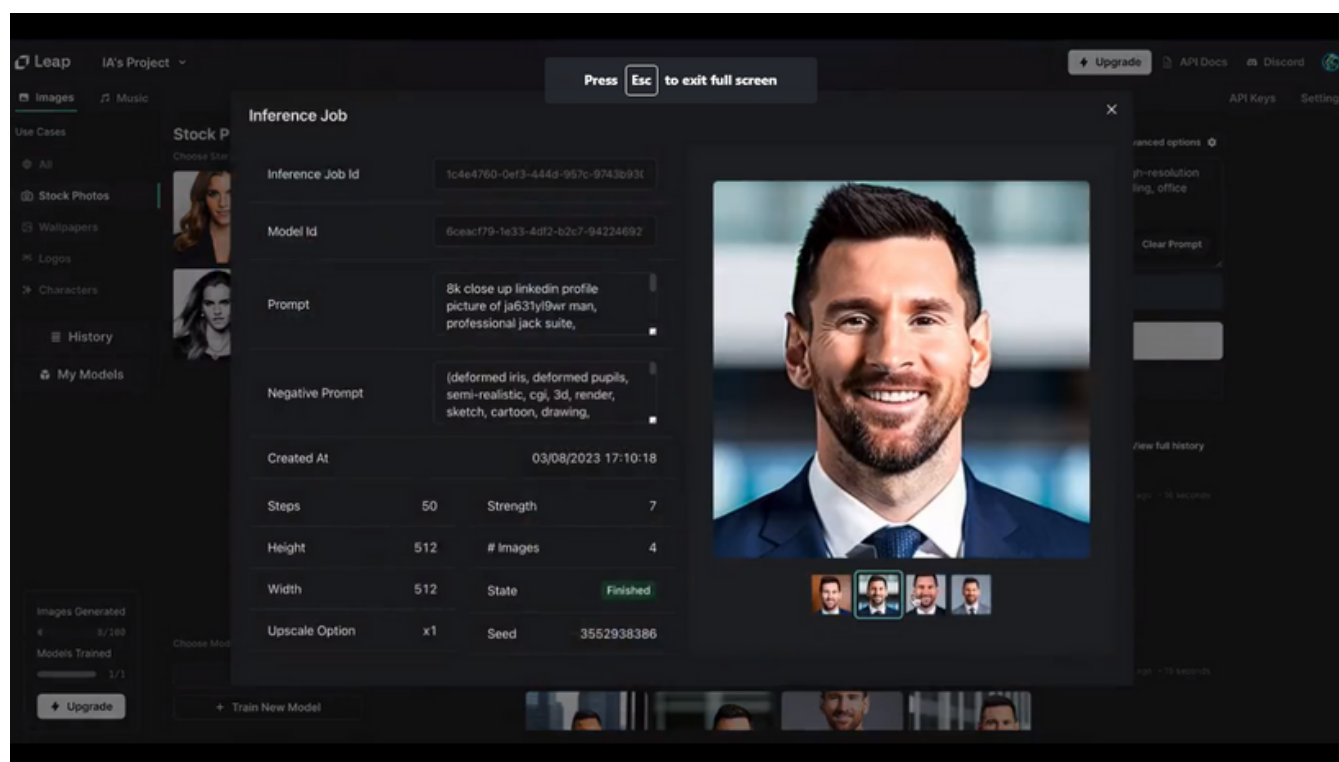

- Click on "Use in Playground"
- Choose a template
- Click on "Generate"

5. Admire the result

→ You can repeat the operation if you need it.

→ Once you're satisfied, just download the image.

The **more photos** you provide, the **more accurate** the result will be.
