- The [x] things I did to stand out in a competitive industry
- How I used LinkedIn to build my professional network and achieve [result]
- The [x] strategies I used to overcome imposter syndrome and achieve [result]

Don't simply ask for 50+ more hooks.

They'll be boring and repetitive.

Instead, add modifiers.

Here are 10 more hooks that focus on habits that help you build skills:

- The daily habits that helped me become an expert in [skill]
- How I turned my weakness into a strength using these [x] habits
- The [x] habits that helped me achieve [result] in my career
- The morning routine that sets me up for success every day
- The [x] habits I adopted to become a top performer in my field
- How I developed [skill] from scratch using these [x] habits
- The [x] habits that helped me double my productivity
- The [x] habits that transformed my career and helped me achieve [result]
- The [x] habits that helped me overcome [obstacle] and achieve [result]
- The [x] habits that helped me build a successful business from the ground up

I've asked for specific hooks on skill-building

And hooks on learning from my own experience and failures

Here are 10 more hooks for LinkedIn posts that focus on learning from your own experience and failures:

1. "I tried [strategy] and it failed miserably. Here's what I learned."
2. "The biggest lesson I learned from my [mistake] was..."
3. "I used to think [incorrect belief] was the key to success. Here's what I learned instead."
4. "I made [x] mistakes before I finally figured out the right way to do things."
5. "I learned [important lesson] the hard way."
6. "My biggest failure taught me [valuable lesson]."
7. "The unexpected lesson I learned from my [experience] that changed my career."
8. "I used to think [incorrect belief] was the key to success. Here's what I learned instead."
9. "I thought I knew everything there was to know about [topic], until I learned [valuable lesson]."
10. "I learned the most from my failures. Here's what I wish I knew before I made them."

5. Update your database and continue adding

LinkedIn Hooks
